certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part **23** *of the* **Federal Aviation** *Regulations.*

Original Product—Type Certificate Number: 1A10
Make: The New Piper Aircraft, Inc.
Model: PA-23, PA-23-160, PA-23-235, and PA-23-250

Description of the Type Design Change: Fabrication and Installation of engine control levers in accordance with Master Drawing List MDDL Q001-1000, dated March 31, 2006, Revision NC, or later FAA-approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above airplane models only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate, or later FAA-approved revision must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
